from the smart app

Fingerprint sensor or keyboard
(up to 99 entries)

Our commitment to quality

OUR CERTIFICATES

The CE mark engages our responsibility, as a producer, to ensure that the products complies with all quality and performance requirements established by European Union legislation.

IFT Rosenheim is a german independent organization that submits our doors and windows to rigorous tests. This institute has existed for over 50 years years. The certificates issued by this organization are recognized world wide.

Premium door tested and approved to PAS24 UK enhanced security performance requirements

Qualimarine® is a certificate for painted Aluminium products that guarantees quality throughout the production chain.

The Qualicoat® label guarantees a superior quality for painted Aluminium products that are mainly for outdoor use.

Our extra-flat thresholds facilitates the access of people with reduced mobility.
