

Thanks to the minimalist design and ease of use, the Aluminum sliding systems allow you to take full advantage of natural light and the beauty of the outdoor environment.

Discover Paysage 5Stars by QFORT®

Made of high quality materials, this sliding system is designed to last. The Aluminium profiles provide an increased degree of strength, whilst the glass packages with double or triple glazing, ensure excellent thermal and sound insulation.

The sashes slide smoothly and silently, providing easy access to the outdoors, and an optimal level of ventilation. In addition, thanks to the multiple possibilities of customisation, it responds effectively to all of your needs.

Paysage 5Stars by QFORT® is the ideal solution for those who want to increase the level of comfort and the total value of the space in which they live.

We respect the most demanding quality standards

The company is certified in terms of quality through ISO 9001, ISO14001 and ISO 45001. In addition, our products are certified by the IFT Institute Rosenheim in Germany.

Exceptional benefits

HIGH THERMAL INSULATION

▮ Improved tightness thanks to the combination of multiple closing points and gaskets made of special UV-resistant material.

SAFETY

▮ Increased security thanks to the 4 safety points and pull-resistant rollers.

DESIGN

▮ Minimalistic profiles for more natural light.

FUNCTIONALITY

▮ Easy and quiet handling.

Comfort in use

▮ Easy handling.

Main sash handle

Secondary sash handle

▮ The sashes glide effortlessly thanks to high-density Acetal roller carriages

ENHANCED SECURITY 4 CLOSING POINTS

From 1.60 m height!

INCREASED RESISTANCE

Mushroom closing points + safety locks.

Finishes and options

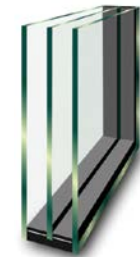

FOR MORE COMFORT...

▮ High insulation thanks to triple glazing

Reduce heat loss in winter and maintain the optimal indoor temperature in summer.

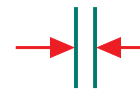

▮ Venetian blinds integrated into the glass package

For added comfort, choose Venetian blinds, which allow you to optimally manage the light and protect the windows from the sun's rays.

Paysage by QFORT®

This large sliding system allows openings of up to 6.50m.

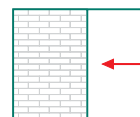

Central interlock 35mm

Sash height up to 2.60m

Sash width up to 2.20m

Pocket doors with up to 4 wings

Up to 3 sashes with 3 rails

Characteristics and proven performance

Paysage 5Stars by QFORT®

- ▮ Thermal insulation coefficient $U_w \geq 1.17 \text{ W/m}^2\text{K}^*$
- ▮ AWW test: Air 4 / Water 7A / Wind C5
- ▮ Installation depth: 70mm case with two rails – 126mm case with 3 rails
- ▮ The thickness of the glazing: 26 and 36 mm
- ▮ The thickness of the outer wall of the profiles: 1.6 mm
- ▮ Central interlock dimension: 35mm
- ▮ Number of safety points depending on the height of the sash:
 - From 1,600 to 2,600mm: 4 closing points
 - From 1,000 to 1,599mm: 2 closing points
 - From 450 to 999mm: 1 closing point

* Result obtained for a construction with $L = 3400\text{mm}$, $H = 1792\text{mm}$, two wings and glazing with $U_g = 0.7 \text{ W/m}^2\text{K}$

POCKET-SLIDING

- ▮ The sashes slide into the wall
- ▮ Total openness to the outside
- ▮ Smooth transition
- ▮ More natural light
